### A Chinese Clock

The Chinese clock hasn't got hours, minutes and seconds. It's got the names of twelve animals.

a rat, a cow,.....  
.....

A Chinese hour is two of our hours. An example – the hour of rat is from 11 pm to 0:59 am, the hour of a cow is from 1 am to 2:59 am. What are the other hours?

.....  
.....  
.....

**What's the time?**

Example: *It's five to tiger. It's 2:55 am.*

- 1) It's twenty to horse. ....
- 2) It's ten past dog. ....
- 3) It's a quarter to dragon. ....
- 4) It's half past sheep. ....
